

Advanced Analytics

Empower Your Aesthetic Practice to Quickly Identify Risks and Trends while Controlling Costs

GAME-CHANGING BENEFITS

- Role-specific, near real-time, robust and intuitive reporting.
- Data in one place across all practices to connect and see all metrics at once.
- Detailed practice performance insights — from patient experience to financial.

TARGETED, STRATEGIC DATA INSIGHTS

- Revenue scenario snapshots support future decision making and track which treatments are most profitable.
- Complete performance analysis, from patient trends to equipment utilization, identify patterns of strengths and weaknesses.
- Tracking of total lifetime value of a patient with year over year comparisons to see which demographics are bringing in more revenue over time vs those that may not be.
- Metrics to give insight into provider performance to compare revenue across your team.

POWERFULLY INTUITIVE FEATURES

- Out-of-the-box, pre-loaded dashboards and reports specific to your KPIs.
- Configurable alerts notify yourself or others of risk factors impacting your practice.
- An easy-to-use, self-service platform with controlled, role-based access to view near real-time data.
- A single access point to all data sets within a practice.
- Pre-built dashboards ready to go with critical practice performance metrics.
- Intuitive drag-and-drop workflows and simple personalized layout configuration options.
