INCREASE PATIENT ENGAGEMENT

Simplify patient communication with secure messaging and appointment reminders. Plus, reduce visit duration time by having patients complete forms prior to appointment.

TEMPLATES CUSTOMIZED JUST FOR YOU

Experience time-saving charting with customizable templates tailored to your unique preferences. Whether you need medical or cosmetic templates, **Nextech's charting offers views of relevant patient info**—streamlining the provider and patient experience, plus the documentation process.

IMPROVE PRACTICE PROFITABILITY

Intuitive coding assistance streamlines the billing process, increases claims accuracy, and **maximizes reimbursements AND back-office efficiency.**

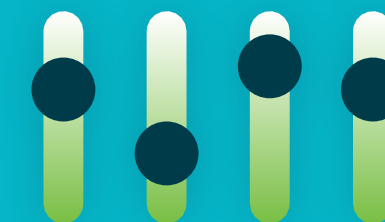

ANYTIME, ANYWHERE ON-THE-GO ACCESS

Give your practice added flexibility to manage patients and clinical requirements wherever they are. Our easy-to-use provider mobile app **increases productivity while offering you more mobility.**

IMPROVE PRODUCTIVITY

See more patients—complete patient consults in **under 1 hour.**
Expedite billing—complete a day's worth of payment reconciliation in **5 minutes.**

INTUITIVE, EASY TO LEARN, AND SIMPLE!

Specialty-specific intelligence ensures the most accurate charting and efficient exam workup for every segment within Plastic Surgery. See what the cool kids have to say at one of our Release Party Webinars where we highlight new innovations and our constantly evolving technology.

INTEGRATE WITH TOUCHMD

TouchMD, the aesthetic industry's preeminent interactive visualization, education, and patient communication platform, is now part of Nextech.

TouchMD exceeds the already high expectations of your plastic surgery patients at every touchpoint with elegant marketing and educational content, interactive full-resolution photography, and a paperless experience all while helping your plastic surgery practice increase overall conversion rates.

Over 16,000+ aesthetic professionals rely on TouchMD to empower their practice to exceed patient expectations throughout the patient journey.

THE ULTIMATE PATIENT ENGAGEMENT PLATFORM:

TouchMD Consult

Simplify patient communication while demonstrating your expertise and showcasing results.

TouchMD Snap

Showcase your patient's transformation with beautiful, consistent clinical photography.

TouchMD Digital Consents

Transform EHR-based consent forms and piles of paper into a streamlined digital experience.

TouchMD Reach

Deliver a remote virtual consultation that exceeds expectations.

TouchMD Blast

Elevate your messaging with patient-specific targeted alerts and push notifications.

TouchMD Playlist

Make the most of every moment on every screen throughout the entire patient journey.

The only solution you need for your practice: **NEXTECH**

Unifying the Patient-Provider Journey

Attract and acquire new patients, increase engagement, and improve the quality of care for your patients and providers.

Clinical efficiency starts by tracking every step of the patient's journey — from the moment they check in to the time they check out. Nextech's integrated EHR and PM solution reduces wait times and removes practice roadblocks. **With built-in monitoring capabilities designed to create a better patient experience, you're setting your providers up for success throughout the entire care continuum.**

PATIENT JOURNEY

Two-way texting

Reach more prospects with **easy and efficient texting**.

Appointments in the click of a button (or two)

Booking an appointment shouldn't be a hassle — from telehealth to online scheduling — **making appointments has never been easier.**

PROVIDER WORKFLOW

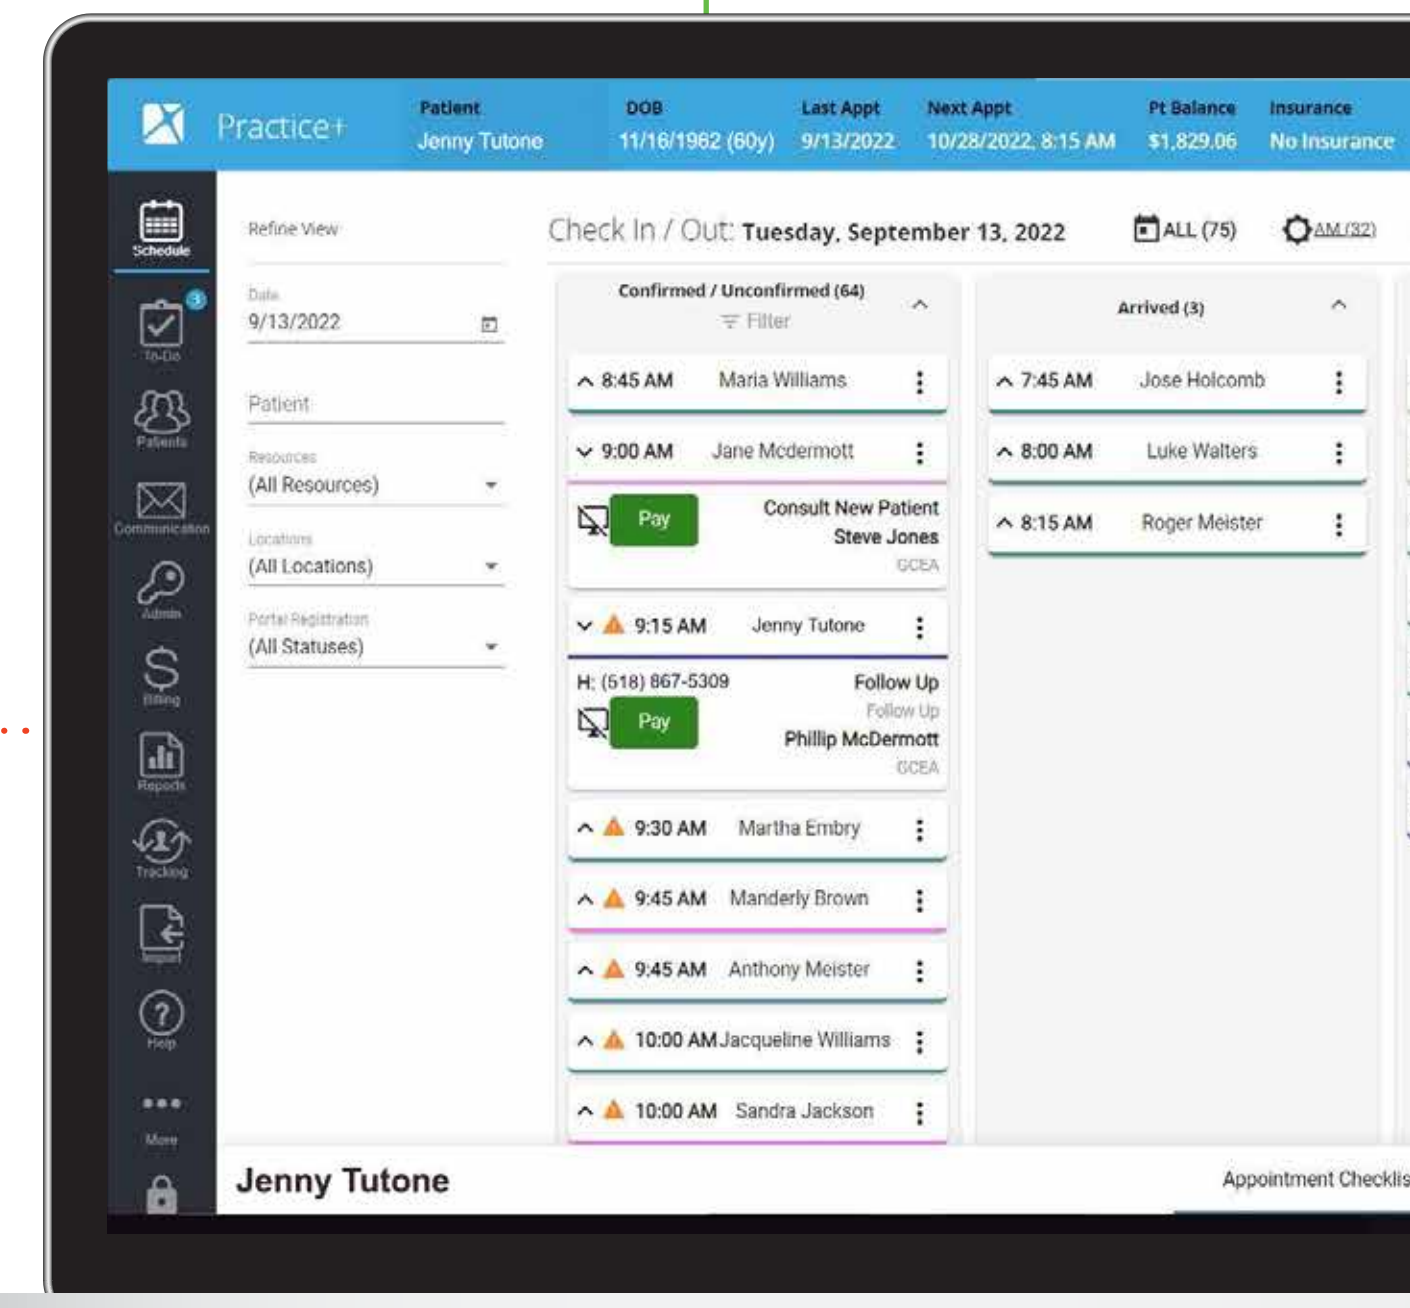

Attract new prospects:

Track all leads through the sales cycle in real time, engage with prospects through marketing automation, and identify the highest performing campaigns.

Appointment management made easy:

Never miss a beat with **multi-location, customizable scheduling solutions** — even for telehealth appointments and online scheduling.

Paper forms are so '99

Improve patient engagement with a **shorter, more efficient check-in process** that will help reduce visit duration and bring your office into this century.

CHECK-IN >>>

CHECK-IN >>>

Hello! Checking in just became less complicated:

Streamline check-in with ease and flexibility by offering patients the option to complete forms prior to their visit.

All eyes on you

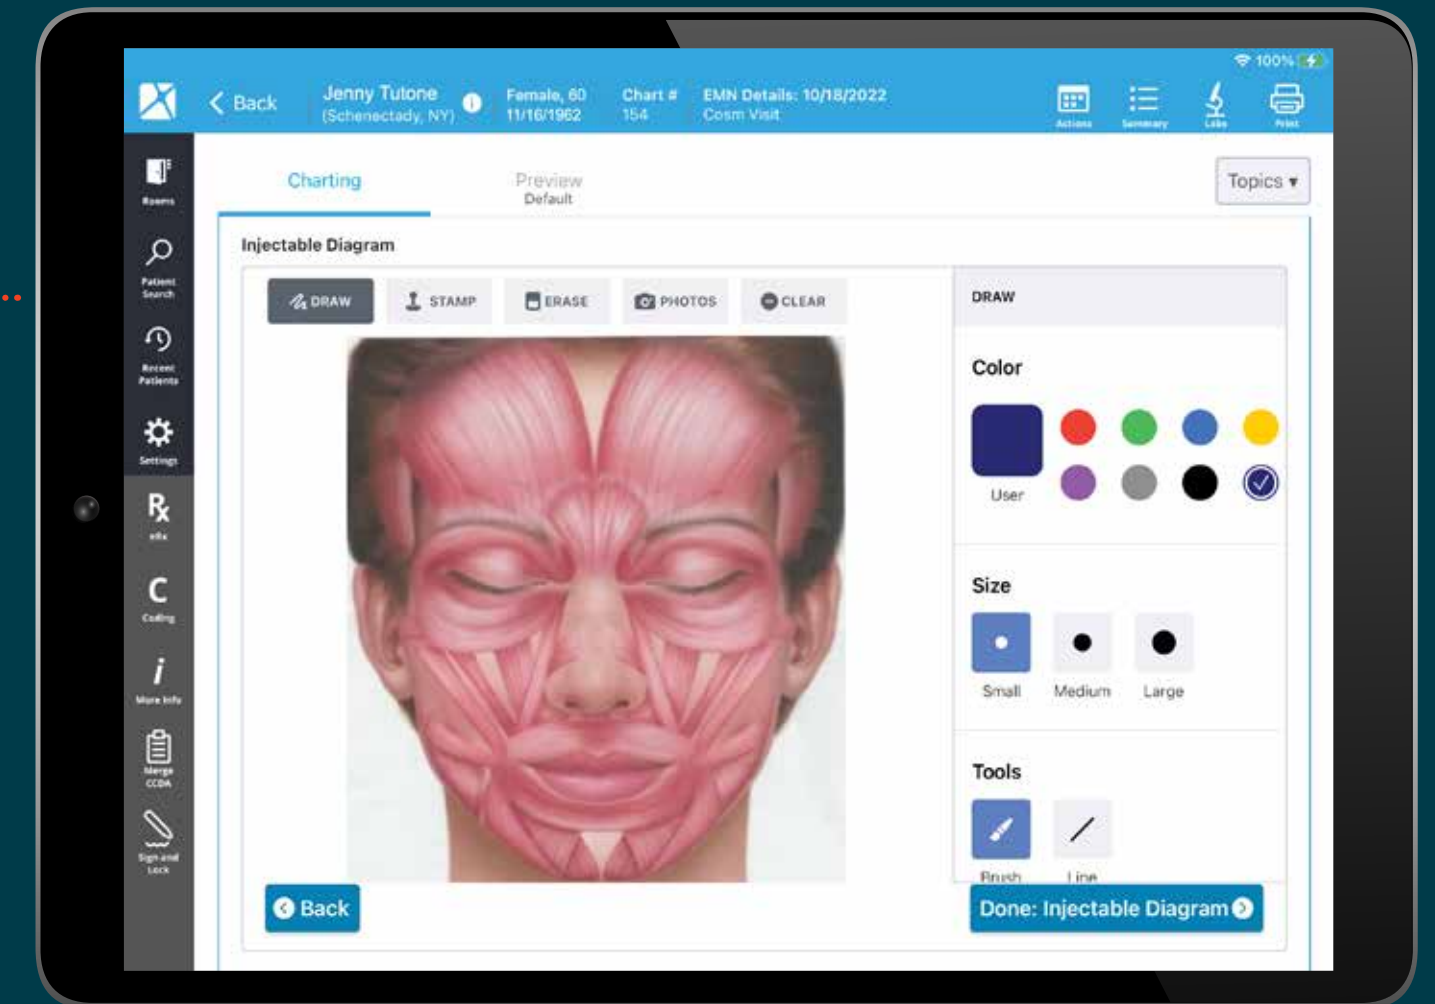

With a provider spending less time clicking buttons and navigating from screen to screen, Nextech ensures physicians will have **more time to connect with your patient** while navigating their easy-to-reference chart.

APPOINTMENT >>>

APPOINTMENT >>>

Chart on iPads:

Compatible on desktop and iPad, single-page charting empowers providers to tailor every patient encounter. Fewer taps means less charting time so providers can focus on quality patient care.

Tell us how we're *really* doing

Providers want to hear what is and isn't working at their practice and with their one-on-one patient care. **Reviews and surveys offer real-time feedback.**

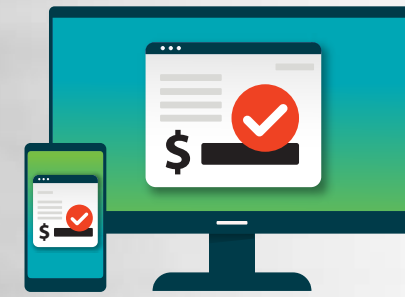

CHECK OUT >>>

CHECK OUT >>>

Partnership is everything:

This is why Nextech invests in its **robust partner ecosystem** like with CareCredit for patient financing.

Bills, bills, bills

To easily review or pay bills online, Nextech's integrated payment systems **help patients with a simplified payment experience.**

Cures Act Compliant

For providers to stay compliant, ease of access to patient health records is key. **Nextech makes it easy for patients to request and gain access to all their records.**

Get paid:

Getting paid shouldn't be a hassle. With **better reimbursement options** to a **variety of payment plans**, streamline your revenue cycle like a pro.

Leave compliance to the experts:

Compliance doesn't have to be complicated with Nextech on your side—our team of experts evaluates where you may have risks or opportunities to **increase your MIPS score and maximize reimbursement.**

WHAT YOUR PEERS ARE SAYING:

*"One of the beauties of Nextech is their vision of being **the premier plastic surgery software**. Even though it was one of the first products out of the gate, it was also the innovator. They listened to plastic surgeons and discovered what their needs were."*

DANIEL C. MILLS, M.D., FACS
AESTHETIC PLASTIC SURGICAL INSTITUTE

*"I would absolutely recommend Nextech to my colleagues. It's effective, efficient, and it's a product that **will help your practice grow** as it grows with you."*

Dr. Steven Davison
DAVinci Plastic Surgery

*"As we grew, **Nextech seamlessly accommodated our changing needs** and helped us become the well-run, successful office we are today."*

Lisa Cassileth, M.D., FACS
Cassileth Plastic Surgery & Skin Care

"Implementing Nextech was one of the best moves I've made in my practice. We're documenting faster, better, and more accurately and completely with Nextech. It's very well organized, very quick, and easy to use."

Improve the health of your practice with Nextech.

PRACTICE CONSULTING

Want to understand how your practice compares against industry benchmarks? Consider a **customized consulting approach** designed to improve practice performance. The better the practice performance, the better the patient experience. Our team of consulting experts can guide your practice to **greater efficiency, higher profitability, and simplified compliance.**

AWARD-WINNING SUPPORT

Enjoy renowned support from our **US-based team of 80+ customer product experts.** Our in-house support team is always available, with extra on-call support for any issues that might arise on holidays or after hours. Plus, our customer product experts are awesome — you'll love talking to them.

IMPLEMENTATION HAS NEVER BEEN SO EASY

With decades of implementation experience, Nextech's experience creates the best possible method—providing **scalable and repeatable successful outcomes for every customer.** We provide multiple implementation components to empower new users while ensuring they have all resources to operate effectively. **Nextech's implementation sets your practice up for both immediate and long-term success.**

Nextech plastic surgery customers who have leveraged our consulting services achieve:

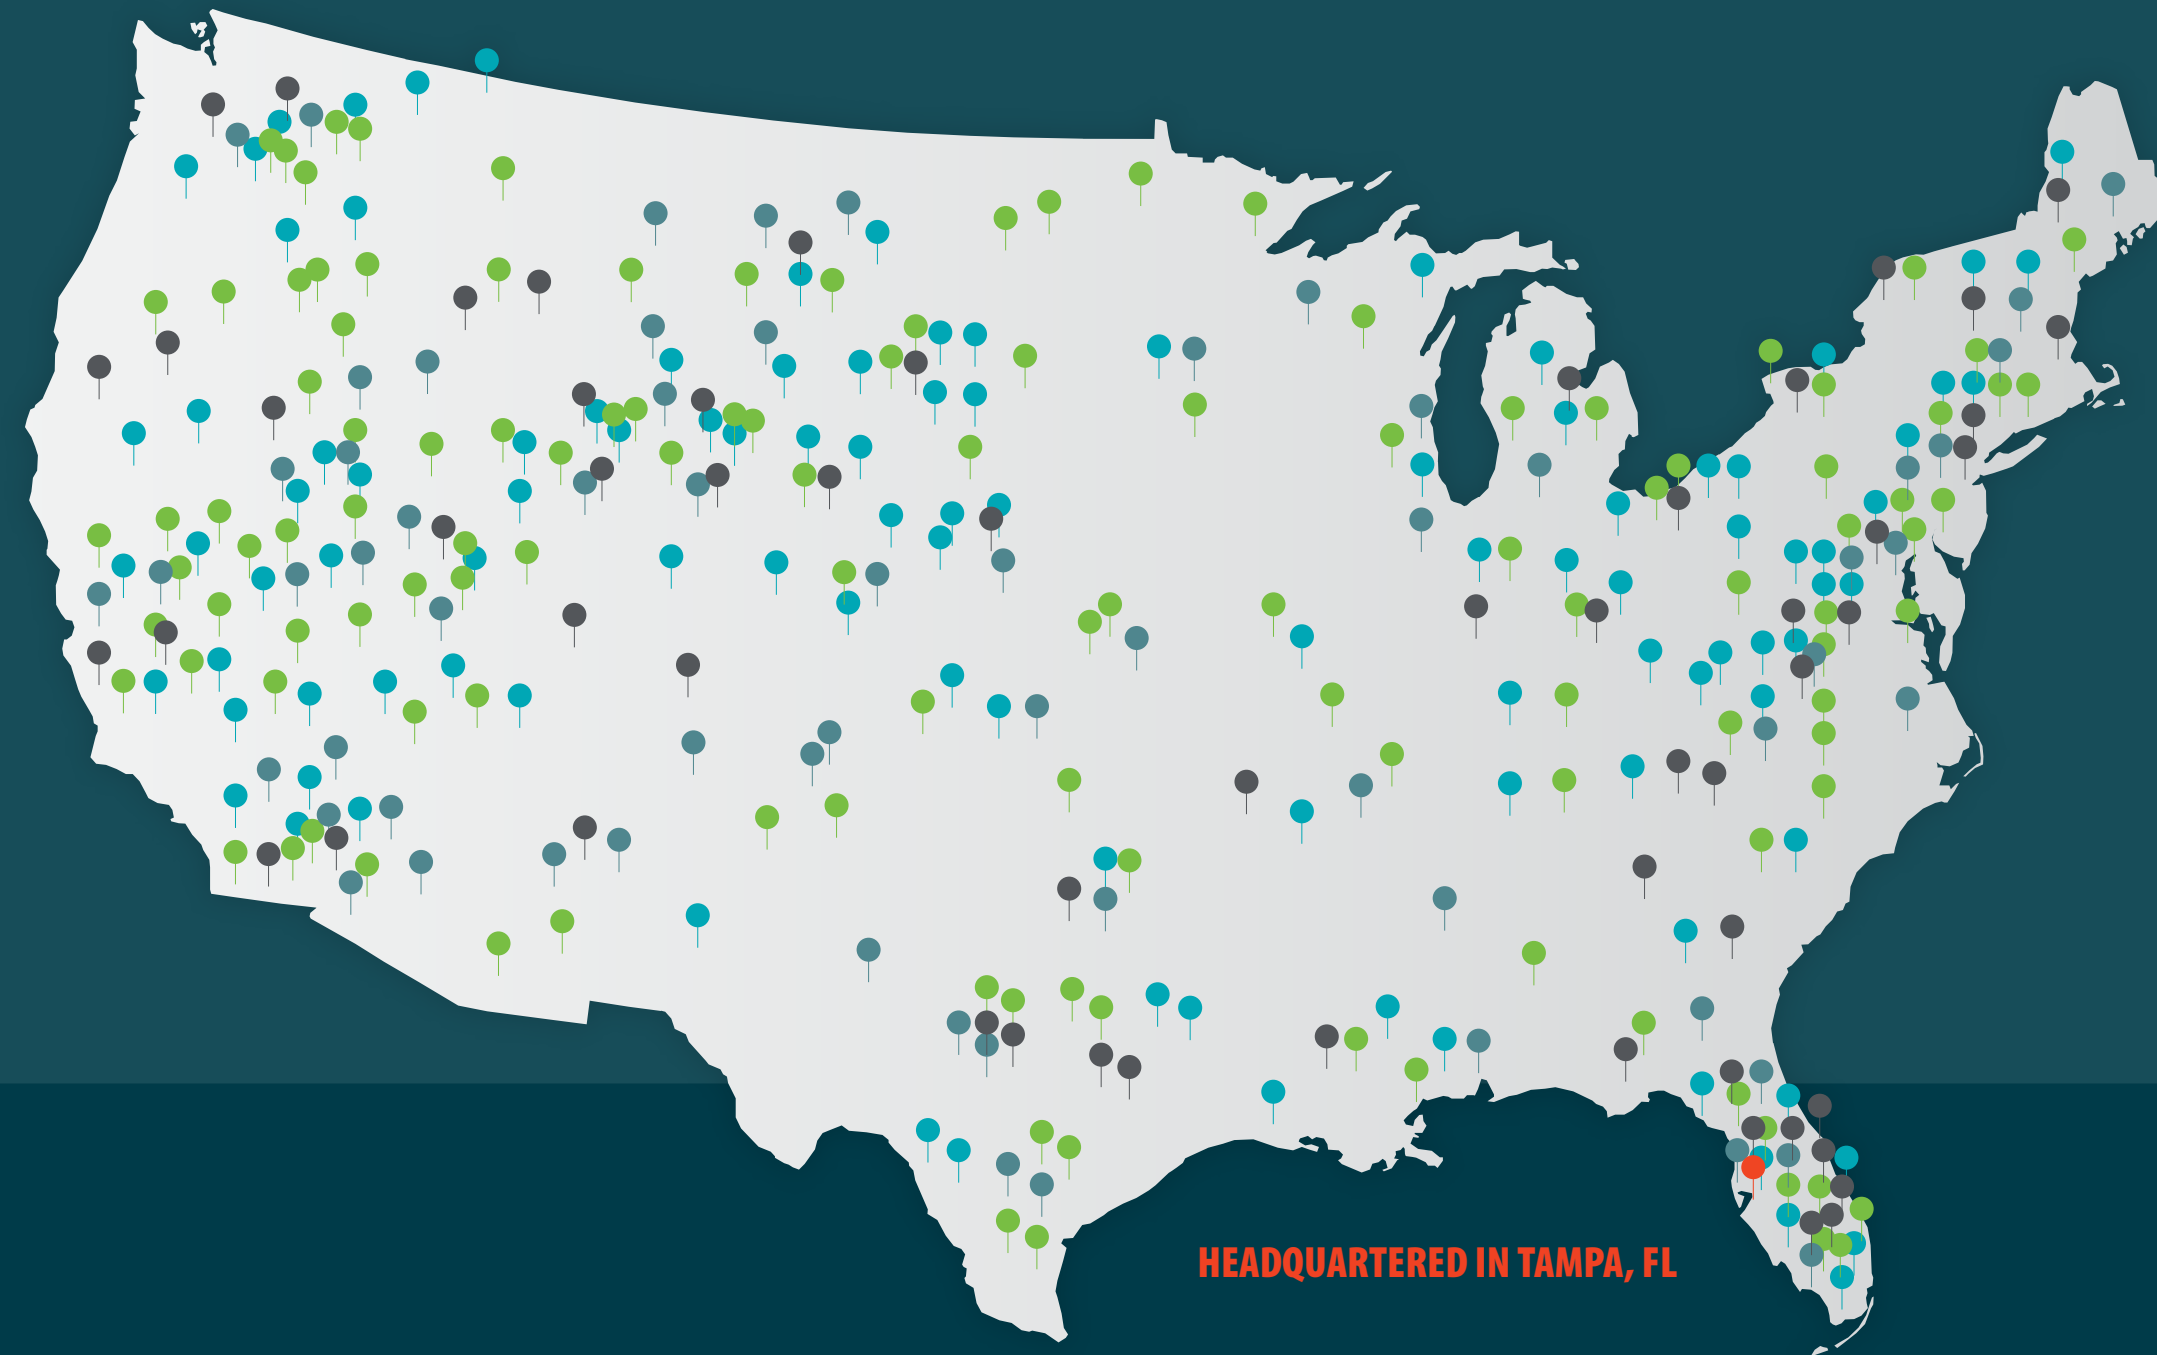

99.54
MIPS SCORE
ON AVERAGE

+2.3%
OR HIGHER
MEDICARE ADJUSTMENT

ABOUT NEXTECH
