

Nextech | Payments

CUSTOMIZE YOUR CHECKOUT EXPERIENCE

Nextech Payments works with a growing lineup of pre-certified third-party hardware to support a range of use-cases from mobile checkouts to custom countertop experiences.

PRE-CERTIFIED

EMV certified with end-to-end encryption

MULTIPLE WAYS TO PAY

EMV chip & contactless, NFC functionality, and magstripe

COUNTERTOP & HANDHELD

Plug-in or battery operated, WiFi for mobile checkout

BBPOS WisePOS E

The WisePOS E, manufactured by BBPOS, is an Android based smartPOS with a 5 inch display that supports PIN entry on screen. It connects to your web-based or mobile point of sale (POS) application via WiFi.

Similar in size to a smartphone, the WisePOS E can be used in-store as a hybrid countertop and handheld reader.

It supports EMV chip and tap transactions, mobile wallets like Apple Pay and Google Pay, and magstripe.
