Nextech | Payments

Payments Made Easy for Your Practice & Patients

Nextech's software solution is built with your practice in mind, **directly integrating into your practice management system.** You'll process payments faster while empowering patients with multiple payment options.

> *"We're saving exactly 3 minutes and 47 seconds per patient when processing payments, creating a far smoother patient journey."*
>
> **—Jessica Catalano**
> *Director of Finance | Southwest Eye Consultants*

PATIENT PERKS

- **Pay anytime, anywhere**—24/7 payment options via text-to-pay and online bill pay

- **Streamline patient visits**—Shorter checkout times with wireless tap-to-pay, pre-payments, card-on-file, and cross-selling directly from the exam room

- **Accommodate patient financial needs**—Payment plans and financing capabilities available

- **Keep patients informed**—Send e-statements via text and increase collection speed

POWER TO THE PRACTICE

- **Single point of contact**—No more third-party payment vendors

- **Automate workflows**—Simplify the reconciliation process and end-of-day close out

- **Payment posting**—Save time and eliminate errors from initiation to payout

- **Optimize financial performance**—Increase repeat business with card-on-file, membership, and subscription capabilities with no up front hardware costs

- **Flexible payment options**—Collect via mobile, desktop, and at checkout

- **Simplify PCI Compliance**—Save time and resources obtaining compliance and stay financially protected in the event of a breach

65% OF PATIENTS WOULD SWITCH TO A NEW PROVIDER WITH A BETTER PAYMENT METHOD
