

Collect The Money You've Already Earned

Nextech RCM maximizes collections and cash flow, so you can focus on what matters most—quality patient care.

- **Eliminate administrative billing burdens and staffing headaches** with a skilled and dedicated team of RCM experts focused exclusively on your financial performance, including achieving an average 97% clean claims rate and 98% net collection rate.
- **Get rid of multiple vendors and integration upsells** with RCM operations managed and optimized right within your Nextech platform.
- **Avoid navigating diverse payer requirements, ever-changing regulations, and the day-to-day technical details of medical billing** by partnering with billing experts.
- **Gain insight and transparency** into your revenue cycle with available reporting and analytics—ensuring you aren't leaving money on the table.

*“When taking a look at our outstanding AR, the team found that the last RCM company had missed whole days. **Now with Nextech, we are addressing it in time to get paid.**”*

—John Critser, MBA COE | CFO

Eye Associates of Tucson

Complimentary AR Assessment

The best way to improve your financial performance isn't seeing more patients, cutting overhead, or working longer hours. It's collecting the money you've already earned. **Nextech can help uncover opportunities to collect more money, faster. Contact us to learn more.**
