

Nextech Advanced Analytics

Empower Your Ophthalmology Practice to Quickly Identify Risks and Trends while Controlling Costs

GAME-CHANGING BENEFITS

- Role-specific, near real-time, robust & intuitive reporting.
- Data in one place across all practices to connect and see all metrics at once.
- Detailed practice performance insights — from patient experience to financial.

TARGETED, STRATEGIC DATA INSIGHTS

- Clinical metrics identify patients overdue for procedures and uncover blind spots in patient referrals.
- Revenue scenario snapshots support future decision making and track which systems are most effective.
- Complete performance analysis, from patient trends to equipment utilization, identify patterns of strengths and weaknesses.

POWERFULLY INTUITIVE FEATURES

- Out-of-the-box, pre-loaded dashboards and reports specific to your KPIs.
- Configurable alerts notify yourself or others of risk factors impacting your practice.
- An easy-to-use, self-service platform with controlled, role-based access to view near real-time data.
- A single access point to all data sets within a practice.
- Pre-built dashboards ready to go with critical practice performance metrics.
- Intuitive drag-and-drop workflows and simple personalized layout configuration options.

Additional customization available: Easily build out new reports and dashboards regardless of technical ability for a totally customizable option.
